

## 2nd Colchester Winter Ale Festival

This is a list of the beers we have ordered for the festival, correct as of 14th January

There is always a chance that some won't turn up, and will be replaced at short notice

Some may not be ready at the beginning of the festival, some will be finished before the last day - sorry

| BREWERY          | Location                     | Beer                     | ABV  | Style |
|------------------|------------------------------|--------------------------|------|-------|

The Cider & Perry List - as with the beers, correct as of 14th January 2009. Others may magically mate  
 We've got a couple of local ones, but have had to search further afield to give our customers a good var  
 Some will be gin-clear, some will have bits in - they're supposed to be like that, honest!

Real Cider and Perry varies from year to year according to temperature, length of growing season, etc.  
 For this reason, we can't say whether they are dry, medium, etc until our Cider Manager has tasted the l  
 He'll be the one lying on the floor behind the cider bar - wake him up and ask his opinion.

| Producer        | Location      | Cider                                  | abv |
