

Dear CAMRA Member

Colchester & N E Essex CAMRA would like to invite you to help us celebrate the 20^h Colchester Real Ale & Cider Festival, taking place between Tuesday 31st May & Saturday 4th June 2005, at Colchester Arts Centre.

Last year's festival was another great success, again in no small part due to everyone who volunteered their time. Yet again, we desperately need YOUR help – even a couple of hours would be greatly appreciated, especially during the setting up on Bank Holiday Monday and clearing up the following Sunday. A few extra pairs of hands on Weds, Thurs & Fri afternoons would also be useful, and Thurs and Fri evenings are always busy. For those who prefer (relative) peace and quiet, music will be on Tuesday night and Saturday night this year. Just to prove that we'll even resort to bribery, we'll be offering a real incentive to anyone who's willing to help out.

If you can help at any session, please complete and return the form below. Copy your times to the sheet overleaf, which also gives general staff information. You can also find more information on the website at www.colchestercamra.org.uk

Many Thanks for your help.

STAFF INFORMATION (boring but essential) – PLEASE READ!

Thank you for volunteering to help at this year's festival. When you arrive, please ask for **Dave Nunn** for allocation of duties. Please read the Health, Safety and Hygiene guidelines and Fire Regulations, which are posted at various locations around the venue. This is basically all common-sense stuff, but very important. If you can help with the setting up and knocking down phases on Monday and Sunday, please wear heavy boots and gloves, if possible.

To show our appreciation for your assistance, all staff may purchase drinks at a discount - 50 pence for a pint (or half) of ale and cider. Discounts will also be available for bottled beers. Please note, however, that discounts apply **only** to those wearing staff badges, and **not** to their friends, families, pets etc.! Soft drinks are free to staff and customers.

Please remember that we are here to promote real ale and the aims of CAMRA. This includes ensuring that no-one gets short measures - all our glasses are oversized, with clear pint and half-pint marks. A measure should be drawn so that the liquid just reaches the line, with the head as a bonus, not part of the pint. If anyone wants to sample a drink before buying, pour a half-inch or so into their glass, but watch out for anyone who thinks they can drink their way through the festival for free in this fashion! If anyone complains about beer quality, just change it - but again be aware of the 'clever' types who only complain after they've drunk most of it! In general, though, the customer is always right, even if they're wrong! If anyone wants to drink out of their own glass or tankard which you suspect holds much more than a pint, use a spare measured glass (not the one you're drinking from!) and pour it into theirs.

Do not serve alcohol to anyone who is, or who you believe to be, under 18 years of age.

Any questions, if a barrel needs changing/tipping, or if you simply want a break, please speak to **Nigel Mullender** (Bars Manager), **Trev Johnson**, myself, or any committee member.

Finally, many thanks again for your assistance - and don't forget to enjoy yourself.
